We hear that Myrtle Bank, the residence of
Mr A. F. Smith at the Peak, has been sold
for \$12,000.

A cook named Lau Asau was brought before
Mr Sercombe Smith, in the Police
Court to-day, charged at the instance
of Private Adams with stealing 12 lbs. of
beef belonging to G. Company, 58th Regi-
ment. The complainant said he found the
beef tied round the defendant's body.
The charge was admitted, and sentence of
one month's hard labour passed.

THE two cases of arson which have been
occupying the attention of Mr Wodehouse
in the Police Court for a few weeks past have
now been committed for trial at the Supreme
Court, and will be taken at the Criminal
Sessions for this month. Of course, a
special day or days will be set aside for
the trials, and the proceedings will doubt-
less be followed with considerable interest.

Mr Francis, Q.C., has, we understand, been
retained—not for the defence this time, as
he is frequently in important cases, but
for the prosecution. Apart from the gravity
of the charges made against Li Yuk and
his three sons (which would be sufficient in
itself, in view of the frequency of fires orig-
inating in shops here, to excite a good
deal of interest) the cases are invested with
a peculiar interest from the circumstances
under which they have arisen. The pro-
ceedings, in the first instance, against the
three sons, were taken on the information
of a tailor's apprentice, who said he was
sleeping outside the Kut Fung shop on the
night of the fire, was awakened by hearing
a noise within the shop, and on looking
through a crack in the door saw the three
sons set fire to the place. The charge
against the master of the shop is, however,
that he was very fully gone into in the Police
Court, and that the master of the shop made
several attempts to bribe him against giving
evidence. Both sides of the two cases have
been very fully gone into in the Police
Court, and the master of the shop has been reserved,
and it remains to be seen what will be done
with the master of the shop.

His Worship then committed the case
for trial at the Supreme Court, and allowed
the defendant the same ball as before—two
acres of \$500 each.

MOORE'S GOGO SHAMPOO

WASH.

THIS WASH HAS PROVED ITSELF TO BE THE

BEST PREPARATION EVER PREPARED TO THE PUBLIC.

THE Bases of this compound is made of

Gogo Root. The natives of the Philippines never use anything else for washing their hair; you never see them bald, and it is quite common to see the females with hair from 6 to 9 feet long. By using this SHAMPOO WASH as directed, you will never be bald. The Proprietor offers the Wash to the public, being entirely confident that by its restorative properties it will surely arrest decaying hair, completely eradicate scurf, dandruff, and cure all diseases of the scalp; it does not contain any poisonous drugs, but by a cool bath the scalp

alays the itching and fever of the scalp.

Mr. Moore has succeeded in being able

to put this Wash up in bottles without allowing it to ferment, and he will guarantee it to keep for a long time in any climate.
